

722nd Session
Board of Examiners for Professional Engineers and Land Surveyors
April 17, 2012

The scheduled meeting of April 17, 2012 was held at the Board Office, 165 Capitol Avenue, Room 117 in the State Office Building, Hartford, Connecticut.

Anthony L D'Andrea, Chairman called the meeting to order at 9:21 am.

Attending the meeting were John DeWolf (1) PE, Terry McCarthy (3) PE, Anthony L D'Andrea (4) PELS, Robert L Doane (5) PELS and Al Regina (7) PM.

The following land surveyor members were excused because there was no land surveying business; Curtiss B Smith (11) LS and Robert W Grossenbacher (12) LS.

Absent were; Donald J Poland (6) PM, T. Mark Barbieri (9) PM and Rocco V Laraia (8) PM.

John Hallisey (2) PE resigned his position with the Board, since he relocated to Florida.

Also present was Barbara Syp-Maziarz, Board Administrator.

Minutes- Motion made by (7) seconded by (5) to approve the February 2012 minutes as amended. Motion carried.

Legislation update: The Board held a discussion regarding SB- 269 that is on the senate calendar. The Board does not have an objection to the structural engineering endorsement, but the requirement for continuing education is premature considering that the Board does not have a requirement for minimum education. Some of the Board members will contact their senators and advise them that there is a flaw in the proposed bill, which should include a requirement of a 4-year ABET engineering degree and that this bill should be tabled for corrections.

CHRO- None

C-Old Business

C-1 Weam M Hasan (Dist. 2)

Mr. Hasan has had difficulty in obtaining original transcripts from his university in Iraq.

The Board read the information from NCEES regarding the evaluation of his degree. The Board directed the board administrator to contact NCEES to continue the evaluation of his

degree based on the information that they have, and to have Mr. Hasan appear before the Board at their June meeting to go over his situation.

Reconsideration

Kim Kerrinnes- Requesting reconsideration from the Board. The Board denied the applicant's application under class 4 for lack of a basic degree in engineering. (Dist. 2)

Motion made by (3) seconded by (1) to stand by the Board's original decision of denying application under class 4 based on the lack of a basic engineering degree, where his experience does not compensate for an engineering degree. Motion carried.

Meeting adjourned at 10:11 am.

The next meeting is scheduled for June 12, 2012.
